(ii) Recurring expenditure. (that is as long as the present training continues).

A. Extra allowance to the teaching staff:—

3 Drill Instructors at Rs 2 each	Rs 6
1 Sergeant at Rs 3 each	Rs 3
4 Constables at Rs 2 each	Rs 8
Total	Rs 58

5 N.B. The D.G. proposes to give the extra allowance to Inspectors & Jamadars employed as instructors. It is not clear whether the others similarly employed should get such allowances. The above calculation is however made on the assumption that all are to get the extra allowance & it is based on the figures given in the body of the D.G.'s D.O. & not those contained in the statement subjoined.

This is probably the idea. Thus seems to be no reason to exclude the Drill Instructors & the Constables from the Special allowance

Thus the total recurring expenditure will be Rs 634 per mensem besides the expenditure involved in the acting arrangements to be made in place of the officers and men employed as teachers.

As regards permanent arrangements for instruction in Jui Jutsu the D.I.G. thinks that the employment of Inspectors & Jamadars as instructors is too costly and that they should soon have to be replaced. He intends to make a separate reference in this matter.

1) If three centres are opened & selected Jemadars or Constables (who may be as good as Jni Jdsn as Inspectors or better) placed in charge the cost would be much less.

14 As the men will be employed whole time in Jni Jdsn instruction they may take several batches & the work of 9 centres may be done at 3 with greatly reduced initial & recurring charges.

My dear sir,

As desired in your D.O. No.2520 dated the 30th June 1911 re the formation of the Jui Jitsu classes in certain centres, I met Professor Sano, Messrs P. Raghavendra Rao and Mirza Md. Ismail at Mysore on the 4th ultimo and discussed the question with them. It was concluded that it was more advantageous to open a class at each of the District Head Quarters, except Kolar, for which the class will be held in the Kolar Gold Fields. An additional class will be opened in Bangalore City for instruc--tion to the men of the Provincial Reserve and of the Police Training School, as otherwise there will be too many men in the class intended for the District and City Police, in Bangalore. There will, thus, be 9 classes in all.

2. There are, at present, 3 Inspectors, 4 Jamedars, 1 Sergeant, 3 Drill Instructors and 4 constables who are well trained in Jui Jitsu. Including Prof. Sano, for the present, there are 16 instructors available. It is proposed that they should, for the time being, be placed in charge of these classes. A statement showing the names of instructors now available and

their

their present appointment is herein enclosed.

3. During the period the above mentioned Inspectors and Jemedars are employed as instructors, I propose that the allowances sanctioned in Govt. Proceedings No.J.2540-1/ P.87-10 dated 6-3-1911 be continued to them and that instead of employing substitutes in place of officers as sanctioned therein, only acting arrangements be made, since the cost will be much less to Govern-ment.

4. It is proposed to depute for training in each class, on an average, 1 Inspector, 1 Jamedar and 6 or more men as they may be available. At this rate in the 9 classes there will be, in all, 9 Inspectors, 9 Jamedars and about 54 men under training. In the case of officers under training, substitutes on ₹20/- have to be employed since a corresponding number of them will continue to be under training by turns. Further, I recom-mend that the special allowances sanctioned to the officers and men now under training, be extended to the succeeding batches also.

5. Herein is enclosed a statement showing the cost of two platforms erected at Mysore. From this it will be seen that on an average a platform will cost ₹135/- Excluding the

platform

platform for the class in Mysore, we require 8 such platforms and the cost will be ₹ 1080/-

6. We have, in addition, to provide suitable uniforms to the officers and men under training in these classes. Including officers there will be 8 men in a class and the uniform costs ₹ 6/- per head. Therefore for 72 men, the cost will be ₹ 432/-

7. The cost of the above scheme, as shown in the statement herein enclosed, is ₹ 576/- a month. I request you to kindly expedite the sanction of Government to enable me to open the classes at an early date.

8. As regards permanent arrangements for instruction in Jui Jitsu, I am not in favour of placing Inspectors and Jamedars in charge of these classes since the cost will be high and these officers will lose all claim to promotion, not being in the executive service. Therefore the present costly establishment of instructors will have soon to be replaced. A separate reference will be made to Government on this subject.

Yours sincerely,

To

Dewan of Mysore.
